## HEADLINE: POLYGUARD ADDS TO TECHNICAL TEAM

Sub-headline: Raj Patel joins Mechanical Division

ENNIS, TX – Patrick Dunn, vice president of Polyguard Products' Mechanical Division, announced today the addition of Raj Patel to the company as a technical sales manager.

Raj comes to Polyguard with 30 years of experience with Dow Chemical in hydrocarbons, plastic and chemical sales. He spent the last 20 years in the building industry, including the fabrication industry for cold and chilled process applications. Raj also has experience with oil and gas explorations and production experience with BP, Exxon Mobil and Chemical, and petroleum plant design with Fluor engineers.

Raj will work on getting specification for Polyguard products, converting specifications for Polyguard Products, growing the company's market share on the west coast, and troubleshooting installed Polyguard products.

Patrick identified Raj as a very well qualified, seasoned, self-starter and a result oriented salesman who works with his team for optimized results.

Founded in 1953, **Polyguard Products** specializes in products which protect surfaces and structures from moisture, water, or other undesired substances. Polyguard is an industry leader in the production self-adhesive protective coatings for engineering and construction. Polyguard is also a 100% employee-owned ESOP with 22 consecutive years of sales growth.
