Section 1. Identification

GHS product Identifier: Polyguard Alumaguard® Lite
Other means of identification: Not available

Relevant identified used of the substance or mixtures and uses advised against
A multi ply membrane used to weather-proof exterior insulated ductwork, piping and other insulated tanks, vessels and equipment.

Supplier’s details
Polyguard Products, Inc
3801 South Interstate 45
Ennis, TX 75119
Tel: (800) 541-4994

Emergency telephone number
CHEMTREC, US 1-800-424-9300 International 1-703-527-3887
(24/7)

Section 2. Hazards identification

OSHA/HCS status: While this material is not considered hazardous by the OSHA Hazardous Communications Standard (49CFR1910.1200), this SDS contains valuable information critical to the safe handling and proper use of the product. This SDS should be retained and available for employees and other users of this product.

Classification of the substance or mixture: not classified

GHS label elements
Signal word: No signal word
Hazard statement: No known significant effects or critical hazards.

Precautionary statements
Prevention: Not applicable
Response: Not applicable
Storage: Not applicable
Disposal: Not applicable
Hazards not otherwise classified: None known

Section 3. Composition/information on ingredients

Substance/Mixture: Mixture
Other means of identification: Not available
CAS number/other identifiers
CAS number: Not applicable
Product code: Not applicable

Occupational exposure limits, if available are listed in section 8.

Section 4. First aid measures

Description of necessary first aid measures.
Eye contact: Not likely to occur.
Inhalation: Not likely to occur under normal use. Possible exposure to toxic fumes if burned.
Skin contact: Wash with soap and water. Get medical attention if symptoms occur.
Ingestion: Not likely to occur under normal use.
Section 4. First aid measures

Most important symptoms/effects, acute and delayed

Potential acute health effects
Eye contact : No known significant effects or critical hazards
Inhalation : No known significant effects or critical hazards
Skin contact : No known significant effects or critical hazards
Ingestion : No known significant effects or critical hazards

Over-exposure signs/symptoms
Eye contact : No known significant effects or critical hazards
Inhalation : No known significant effects or critical hazards
Skin contact : No known significant effects or critical hazards
Ingestion : No known significant effects or critical hazards

Indication of immediate medical attention and special treatment needed, if necessary.
Notes to physician: No specific treatment.
Specific treatments : No specific treatment
Protection of first-aiders: No action shall be taken involving any personal risk or without suitable training.

Section 5. Fire-fighting measures

Extinguishing media
Suitable extinguishing media : Water, foam, CO₂, or dry chemical.
Unsuitable extinguishing media : None known
Specific hazards arising from the chemical
Hazardous thermal decomposition products : Decomposition products may include the following materials:
Carbon Dioxide
Carbon Monoxide
Sulfur oxides
Low MW hydrocarbons
Organic acids
Aldehydes, Alcohols.

Flammability of the product : Aluminum layer will char while PET film layer will ignite and continue to burn. In normal atmosphere. Burning film may drip and spread as it melts.

Special protective equipment : Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face piece operated in a positive pressure mode.

Special protective actions for firefighters : No special protection is required.

Section 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures.
For non emergency personal : No special measures required.
For emergency responders : No special measures required.
Enviromental precautions : Not applicable

Methods and materials for containment and cleaning up
Spill : Due to the physical state of this material, spills are not possible.

Section 7. Handling and storage

Precautions for safe handling
Protective measures : Like most plastic films, this material can for a static charge. This material can also cause a slip hazard if good housekeeping procedures are not followed.
Advice on general occupational hygiene : Eating, drinking and smoking should be prohibited in areas where material is handled, stored and processed. Workers should wash hands and face before eating, drinking and smoking.
Section 7. Handling and storage

**Conditions for safe storage, including any incompatibilities**  
Store in original container protected from direct sunlight in a dry cool and well-ventilated area away from incompatible materials (see section 10) and food and drink.

Section 8. Exposure controls/personal protection

**Control parameters**
**Occupational exposure limits**

**Appropriate engineering controls**  
None required under normal working conditions.

**Environmental exposure controls**  
None required under normal working conditions.

**Hygiene measure:**  
Wash hands, forearms and face thoroughly after handling chemical products, before eating, smoking, and using the lavatory and at the end of the working period. Ensure that eyewash stations and safety showers are close to the work station location.

**Eye/face protection**  
safety eyewear complying with an approved standard should be used.

**Skin Protection**  

**Hand protection**  
Normal work gloves may be worn if a risk assessment indicates this is necessary.

**Body protection**  
Personal protective equipment for the body should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product.

**Other skin protection**  
Appropriate footwear and any additional skin protection measures should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product.

**Respiratory protection**  
No respiratory protection is required under normal application of this product.

Section 9. Physical and chemical properties

**Appearance**

**Physical state**  
Solid (tape)

**Color**  
Silver metallic

**Odor**  
Slight Acrylic odor

**Odor threshold**  
Not available

**pH**  
Not applicable

**Melting point**  
489 F

**Boiling point**  
Not available

**Flash Point**  
Not determined

**Burning time**  
Not determined

**Burning rate**  
Not determined

**Evaporation rate:**  
No applicable

**Flammability(solid, gas)**  
Not applicable

**Lower & upper explosive (flammable) limits**  
Not applicable

**Vapor density**  
Not applicable

**Vapor pressure**  
Not applicable

**Relative density**  
1.09

**Solubility**  
Insoluble in water

**Partition coefficient: n-octanol/water**  
Not available

**Auto-ignition temperature**  
Not applicable

**Decomposition temperature**  
Not applicable

**SADT**  
Not applicable

**Viscosity**  
Not applicable

**VOC**  
0 g/l
**Section 10. Stability and reactivity**

- **Reactivity**: No specific test data related to reactivity available for this product or its ingredients.
- **Chemical stability**: This product is stable.
- **Possibility of hazardous reactions**: Under normal conditions of storage and use, hazardous decomposition products should not be produced.
- **Conditions to avoid**: No specific data.
- **Incompatible materials**: Reactive or incompatible with the following materials: Oxidizing materials
- **Hazardous decomposition products**: Under normal conditions of storage and use, hazardous decomposition products should not be produced. Toxic gas upon burning or prolonged exposure to > 280 °C or 536 °F.

**Section 11. Toxicological information**

**Information on toxicological effects**

- **Acute toxicity**: There is no data available
- **Irritation/Corrosion**
  - Skin: There is no data available
  - Eyes: There is no data available
  - Respiratory: There is no data available
  - Sensitization: Skin, Respiratory
  - Skin: There is no data available
  - Respiratory: There is no data available
  - Mutagenicity: There is no data available
  - Carcinogenicity: There is no data available
  - Reproductive toxicity: There is no data available
  - Specific target organ toxicity (single exposure): There is no data available
  - Specific target organ toxicity (repeated exposure): There is no data available
  - Aspiration hazard: There is no data available

**Information on the likely routes of exposure**

- **Routes of entry anticipated**: dermal
- **Routes of entry not anticipated**: Oral, inhalation, ingestion

**Potential acute health effects**

- Eye contact: No known significant effects or critical hazards
- Inhalation: No known significant effects or critical hazards
- Skin contact: No known significant effects or critical hazards
- Ingestion: No known significant effects or critical hazards

**Symptoms related to the physical, chemical and toxicological characteristics**

- Eye contact: No known significant effects or critical hazards
- Inhalation: No known significant effects or critical hazards
- Skin contact: No known significant effects or critical hazards
- Ingestion: No known significant effects or critical hazards

**Delayed and immediate effects and also chronic effects from short and long term exposure**

**Short term exposure**

- Potential immediate effects: No known significant effects or critical hazards
- Potential delayed effects: No known significant effects or critical hazards

**Long term exposure**

- Potential immediate effects: No known significant effects or critical hazards
- Potential delayed effects: No known significant effects or critical hazards
Section 11. Toxicological information

**Potential chronic health effects**
- General: No known significant effects or critical hazards
- Carcinogenicity: No known significant effects or critical hazards
- Mutagenicity: No known significant effects or critical hazards
- Teratogenicity: No known significant effects or critical hazards
- Developmental effects: No known significant effects or critical hazards
- Fertility effects: No known significant effects or critical hazards
- Target organs: No known significant effects or critical hazards

**Numerical measures of toxicity**
- Acute toxicity estimates: There is no data available

Section 12. Ecological information

- Toxicity: There is no data available
- Persistence and degradability: There is no data available
- Bioaccumulative potential: There is no data available
- Mobility in soil: Not applicable
- Soil/water partition coefficient ($K_{OC}$): Not applicable
- Other adverse effects: No known significant effects or critical hazards

Section 13. Disposal Considerations

- Disposal methods: The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor.

Section 14. Transportation information

- AERG: Not applicable
- Regulatory Information: DOT/TDG/IMDG/IATA: Not regulated

Section 15. Regulatory information

- U.S. Federal regulations: United States inventory (TSCA 8 b): all components are listed or exempted
- Clean Air Act Section 112 (b), Hazardous air pollutants (HAPs): Not listed
- Clean Air Act (CAA) Section 602 Class I Substances: Not listed
- Clean Air Act (CAA) Section 602 Class II Substances: Not listed
- DEA List I Chemicals (Precursor chemicals): Not listed
- DEA List II Chemicals (Essential Chemicals): Not listed
- SARA 302/304: Not listed
Section 15. Regulatory information

Composition/information on ingredients: No products found
SARA 304 RQ: Not applicable
SARA 311/312 Classification: Not applicable
State regulations
California Prop.65: No products were found
International regulations
Chemical Weapons Convention List schedule I Chemicals: Not listed
Chemical Weapons Convention List schedule II Chemicals: Not listed
Chemical Weapons Convention List schedule III Chemicals: Not listed

16. Other information

Date of revision: 3/13/15
Date of previous issue: 7/22/10
Revisions: Revision to entire document for compliance of new HazCom rules.
Version: 2
